# What is **RACING LAB** ?

- **Racing Lab range** = Developed with professional athletes for racing and performance
- Pro athletes are looking for the **absolute best** product : every watt count
- **UCI GRAVEL WORLD SERIES + Gravel Racing events** objective : very demanding criterias
- Confidence in our innovations
- The gravel scene is professionalizing : **Let's Race !**

A photograph of three cyclists riding gravel bikes on a dirt road. The cyclist in the foreground is a woman wearing a teal jersey and a black helmet. Behind her is a cyclist in a white jersey and black shorts. To the right is a cyclist in a red jersey and black shorts. The background shows a grassy field and trees under a clear sky.

Born from Road Racing Innovations

**Caracal Race**

**THE FASTEST  
GRAVEL TYRE  
ON THE MARKET**
